

- "TMC for Her to lead" or "Training, Mentoring and Coaching for Her" aims to prepare the new generation of young women to lead by enhancing their capabilities as leaders and entrepreneurs through training.
- pskill women with the latest and updated leadership and entrepreneurship skills.
- the project will utilize mentoring to guide future women leaders to use the skills– they acquired through training– in practice.
- our certified coaches will coach and follow up with future women leaders/entrepreneurs to overcome challenges, discover new prospective, and shift their paradigm to focus on their new roles as business leaders/entrepreneurs.
