

Many young people traveling around the world are backpackers or students on a low budget, and the Saudi Arabian Youth Hostels Association (SAYHA) offers accommodations in 21 cities across the Kingdom. The accommodations in hostels are inexpensive because guests usually share rooms and bathrooms. Some hostels also offer cooking facilities, such as a kitchen with pots and dishes. Youth hostels are usually in interesting places where you can learn about the local monuments, history, and culture. Some hostels are even inside old historic buildings, castles, or boats. Hostels are definitely the place for socializing. Many hostels offer tours and fun activities.
