

Dear Mike, How are you? I wish that you are here in Saudi Arabia. In Saudi Arabia, there are many places that you would not find it in any other place. One of the greatest religious places are the two holy mosques, the most sacred sites on earth and the direction of Kaaba (Qibla) . People come to Alkabah for praying I would recommend you to visit it as soon as possible. I hope that everything is great with you is great. Every year, millions of people from all around the world come to visit it. Also, it is the most religious place on Earth. As an example, more than two millions of people came to visit it in the last year. Sincerely
