

The Ministry of Health and Prevention (MOHAP) in the UAE has several key roles:

1. **Coordination:** – Working Together: MOHAP coordinates with local health authorities to ensure a unified healthcare approach.
2. **Regulation of Medicines and Devices:** – Approval: MOHAP regulates and approves medicines and medical devices to ensure they are safe and effective.
3. **Regulation and Standards:** – Quality Control: MOHAP sets and enforces healthcare standards for hospitals and clinics.
4. **Healthcare Oversight:** – Public Health Programs: MOHAP runs health programs and disease prevention initiatives.
5. **Health Promotion:** – Education: MOHAP promotes health education to encourage healthy lifestyles and disease prevention.

Overall, MOHAP ensures that healthcare in the UAE is high-quality, safe, and accessible to everyone.

- **Licensing:** It licenses healthcare professionals, ensuring they meet national standards.
- **Health Insurance:** It oversees health insurance to make sure residents have good coverage.
